

PRAYER FOR PARADISE ON EARTH

GREAT GOD OF LIGHT

we behold Your plan unfolding whereby all spiritual clouds are dispelled, impurity and error cleansed from the realms of spirit and matter.

The age of light and joy is being born; through Your infinite compassion misguided forces waken unto truth, and negative practices cease, while forces of light unhindered restore the world to peace.

All of nature receives Your loving influence and finds its rightful place. Peaceful clouds move across brilliant skies, and the fragrance of countless flowers floats upon the air.

Abundant harvests glorify the earth, every corner filled with happy voices. Boundaries between countries vanish and ancient conflicts disappear as if dreams.

All people are united, encircled by Your light and guided by Your wisdom. Through service to humanity, all are blessed with health, peace and prosperity.

PAUSE FOR SILENT PRAYER

Great God of Light, strengthen us with courage and wisdom to follow Your will and realize Paradise on Earth.
